March 2023

Update from team PPIHN...

The PPIHN board started the new year with some changes. We welcomed Amanda Duncan and Suzanne O'Connor as new members, and said good-bye to Ron and Dee Winsman. We appreciate all that Ron and Dee have done to support PPIHN. The Winsmans have been with the PPIHN team from the beginning. They travelled to Saltillo, Mexico with John in 2008 to share God's love, along with servicing patients' ocular prosthetic needs. In addition, they lived on the grounds of New Day Orphanage in Zambia, Africa where PPIHN currently goes on their mission trips from 2017-2019. Ron and Dee have been a true blessing to the foundation and success of PPIHN. Thank you both for serving God and loving the people.

Ron and Dee Winsman, Thank you!

In This Update

- Board changes
- Supply Trip

What's happening right now with PPIHN?

- Protashow continues to be employed by PPIHN to maintain the grounds and upkeep of the building along with doing simple prosthetic repairs for local patients.
- In October, PPIHN Board President/Ocularist John Brinkley and Board Member Greg Burris traveled to Kansas to deliver supplies for PPIHN. The supplies will hopefully be delivered to Zambia before the PPIHN team arrives in May.

Future Focus...

- PPIHN will continue to service prosthetics through missions. PPIHN tentatively is planning for a trip in May 2023.
- Donation needs at this time are monetary for specific prosthetic fabrication supplies for the next trip.
- THANK YOU for your continued support through prayers, donations and partnering with us to make PPIHN successful!

Meet our New Board Members!

Amanda Duncan

Amanda resides in Fort Worth, Texas where she has been working as a Doctor of Physical Therapy for over eight years. She is also a Nutritional Therapy Practitioner. Amanda has joined PPIHN on 2 trips to Zambia.. She served with the team to assist with the fabrication of prosthetics and orthotics, fitting and training the people how to use their new or newly modified devices and treating any physical therapy cases that presented while there. This included several children with neurological diagnoses like cerebral palsy and adults with orthopedic injuries. Amanda says "Serving this population and working alongside the New Day staff and children of the orphanage is truly a life-giving experience I am thankful to have been a part of."

Suzanne O'Connor

Suzanne is originally from Australia, but moved to the US in her childhood. Texas has been her home since attending middle school. Suzanne graduated from U.T. Southwestern Medical Center at Dallas and served her residency in the Fort Worth area. She obtained her certification from the American Board of Certification in Prosthetics and Orthotics in 1997. She is currently serving the pediatric population and owns O & P Services Inc in Dallas. In April of 2019, Suzanne completed her Master of Arts in Theological Studies from Liberty University. In 2016 and 2018 she traveled with Prosthetic Promises in His Name to Zambia to help with orthotic and prosthetic clinics. From 2018 to present she participates in global Gospel mission trips with Light of Life International serving on the prayer team. She has participated in mission trips to Honduras, El Salvador, Paraguay, Belize and will be traveling to Peru to share the gospel along the Amazon river in July 2023.
